

PARTNER PROGRAM CATEGORY SUPPLEMENT: MARKETING AFFILIATE NON-COMMISSION SUPPLEMENT

This Marketing Affiliate Non-Commission Supplement (“Supplement”) is a OneStream Partner Program Category Supplement to the Universal Terms. This Supplement, the Universal Terms, and the Partner Schedule executed by the parties, together govern Partner’s participation in OneStream Partner Program for Non-Commission Marketing Affiliates (“Agreement”). This Supplement will enter in force upon, and subject to, the execution of a Partner Schedule by the parties. Any conflict or inconsistency between the documents comprising this Agreement shall be resolved according to the following order of precedence: (i) Partner Schedule, (ii) this Supplement, and (iii) the Universal Terms.

1. PURPOSE

(c) “Direct Referral” means a sale opportunity for any net new Customer identified in the Partner Portal and accepted by OneStream, as specified in Section 4.

(d) “Go-To-Market Plan” means the jointly developed and mutually agreeable plan that outlines the strategy to be implemented by Marketing Affiliate to support and further grow OneStream sales opportunities with prospective Customers. 3. TERM OF AGREEMENT AND TERMINATION

The term of this Supplement shall begin on the Effective Date and continue for a period of one (1) year (“Initial Term”). Upon expiration of the Initial Term, the Agreement will auto renew for subsequent successive one (1) year periods (each, a “Renewal Term”), unless earlier terminated in accordance with the provisions of the Agreement. For the avoidance of doubt, all other terms in Section 2 (Term and Termination) of the Partner Program Universal Terms shall apply.

4. MARKETING REFERRAL PROGRAM

(a) A Direct Referral or Add-on Referral will be accepted or denied by OneStream based upon submission of that Direct Referral or Add-on Referral by Marketing Affiliate on the Partner Portal. OneStream shall advise Marketing Affiliate if there is a competitive bid for this Direct Referral or Add-on Referral, within five (5) business days after receipt of the submission. OneStream may reject the Direct Referral or Add-on Referral submission if the prospective Customer (i) has been previously referred by a third party; or (ii) is currently engaged in the OneStream sales cycle; or (iii) following the meeting set out in Section 4(f) the Direct Referral is not determined to be a viable sales opportunity by OneStream. Upon OneStream’s acceptance of the Direct Referral or Add-on Referral submission, such referral shall qualify as a Direct Referral or Add-on Referral.

(b) After OneStream has accepted the Direct Referral or Add-on Referral from Marketing Affiliate in accordance with Section 4(a)(i), the Direct Referral or Add-on Referral shall be registered exclusively to Marketing Affiliate.

(c) If more than one (1) Marketing Affiliate submits a Direct Referral or Add-on Referral submission for the same prospective Customer, OneStream will accept Direct Referral or Add-on Referral that was first properly registered in accordance with OneStream sales lead registration.

(d) All OneStream Offering(s) licensing, use, or service agreements are made between OneStream and Customer. Marketing Affiliate does not have the right to sell, resell, or distribute the OneStream Offering(s).

(e) OneStream reserves the right to modify the price for the OneStream Offering(s) at any time with or without notice.

(f) Excluding the OneStream Partner Event Follow Up Program, in order to qualify for a Direct Referral or Add-on Referral, Marketing Affiliate shall be required to initiate a prospective Customer meeting with a qualified representative of the prospective Customer within thirty (30) days of submitting a Direct Referral or Add-on Referral on the Partner Portal, or as otherwise agreed to by OneStream. Following this meeting, OneStream shall, in its sole discretion, determine whether the lead is a viable

sales opportunity. If approved as a viable sales opportunity OneStream shall accept it as a Direct Referral. The validity term of the Direct Referral will be six (6) months from the date of OneStream's acceptance ("DR Term") and can be extended for successive six (6) month periods, at OneStream's sole discretion. The DR Term will terminate if the requirements of this clause are not met.

5. REMOTE TECHNICAL ASSISTANCE AND CONSULTING SERVICES

OneStream shall provide Marketing Affiliate design review assistance for the OneStream Offering(s) by telephone or web session. Technical design review assistance does not include Remote Consulting Services as defined in Section 2(i). Remote Consulting Services may be separately contracted for under the terms and fees as specified in OneStream's Advanced Application Solutions program.

6. MARKETING AFFILIATE DELIVERY PROGRAM

(a) Marketing Affiliate may provide services to a Customer provided that:

(i) Marketing Affiliate has successfully been trained in the implementation of the OneStream Offering(s) through the then-current and applicable OneStream training program prior to their first Customer project. Marketing Affiliate employees will complete the OneStream Offering(s) implementation training prior to providing any services to a Customer. Both on on-demand remote or in-person live training classes will be offered by OneStream at OneStream's then current rate for Marketing Affiliates. Marketing Affiliate will be responsible for all travel expenses and costs associated with any in-person live training.

(ii) Partner Reporting. In support of OneStream customer success, Marketing Affiliate is required to report to OneStream updates on important milestones for each executed Customer SOW. These milestones, as applicable include, but are not limited to, the following high level implementation milestones: i) requirements, ii) design, iii) build, iv) test dates (system & UAT), v) parallel runs, vi) deployment, and vii) go-live.

(b) Customer Success Requirements

(i) Customer shall complete a satisfaction survey for all services provided by Marketing Affiliate.

(ii) OneStream will work with Marketing Affiliate to draft a mutually agreed upon statement of work (SOW) for the first two (2) to four (4) joint implementations (for both OneStream platform MarketPlace Solutions or other separately sold OneStream Offerings), as further defined in Section 6(b)(iii) below. The number of joint implementations is subject to OneStream's sole discretion.

(iii) Joint implementations shall be completed with the applicable OneStream Services or Enablement team, as determined at OneStream's sole discretion. For each project, OneStream will serve as the lead design architect and Marketing Affiliate shall provide a lead architect or equivalent resources to support the implementation. Such resources shall be limited to employees of Marketing Affiliate as outlined in the Alliance Partner Program Reference Guide.

(iv) Marketing Affiliate will be responsible for providing OneStream-trained Marketing Affiliate employee(s) or subcontractors for the project. Marketing Affiliate shall not be

permitted to engage any subcontractors for participation in the first two (2) joint implementations.

(v) If Marketing Affiliate experiences difficulties or challenges with implementation (whether joint or not) of the OneStream Offering(s) for any Customer, Marketing Affiliate must provide OneStream with prompt written notice of such situations to enable OneStream to provide guidance and, as necessary, support in addition to other remedies. Marketing Affiliate will make all reasonable efforts to leverage services as outlined in the Alliance Partner Program Reference Guide.

(c) Marketing Affiliate Service Fees

(i) Marketing Affiliate is not permitted to invoice Customer for design services during the first two (2), or more as applicable, implementation projects, unless otherwise agreed upon by Customer.

(ii) In the case that OneStream is a prime contractor and Marketing Affiliate a subcontractor of OneStream with the Customer, then OneStream and Marketing Affiliate will negotiate mutually agreeable rates for such engagement under that applicable subcontract agreement between the parties, which such rates will reflect any administrative services, burden, or additional risk incurred by OneStream pursuant to such contract.

(d) Notwithstanding Section (4)(a)(ii) above, OneStream will not intentionally compete with Marketing Affiliate on Direct Referral or Add-on Referral projects. However, if Customer requests a project bid submission from OneStream, OneStream shall be permitted to submit such project bid.

7. FEES

(a) Fees for Marketing Affiliate's participation in the Marketing Referral Program are contained in the Partner Schedule and are non-refundable.

(b) Payment Terms are as follows. Marketing Referral Program fees for the remainder of first calendar year will be invoiced following the Effective Date of the Agreement and prorated based on the remainder of the current year. Marketing Referral Program fees for any following calendar years during the term of this Agreement will be invoiced at the beginning of each following calendar year.

(c) Services are performed on a time and material basis (T&M) and will be invoiced upon completion or monthly, whichever comes first.

8. MAINTENANCE AND SUPPORT

OneStream will provide maintenance and support for the OneStream Offerings per the terms of the current Standard Maintenance Program. The Standard Maintenance Program terms are attached hereto as Attachment A.

9. NON-SOLICITATION

Marketing Affiliate shall not, during the term of this Agreement and for a period of 12 months following termination or expiry, solicit from OneStream any person or entity who is a client or Customer of OneStream for the purpose of providing a competing service, without prior written consent from OneStream. For the avoidance of doubt, this does not (without limitation) prevent Marketing Affiliate providing advisory services to OneStream Customers, providing a managed service for a Customer's applications which may include OneStream products, providing services which are

supplementary to services provided by OneStream, or providing services to an existing OneStream Customer in circumstances

which do not involve the diversion of an immediate opportunity from OneStream.

ATTACHMENT A - STANDARD MAINTENANCE PROGRAM

STANDARD MAINTENANCE PROGRAM. OneStream will provide the services stated in this Attachment A (“Maintenance Service”) during the term of this Agreement. OneStream may change the Maintenance Service offered at any time, effective as of the commencement of any renewal period, provided that any such change affects substantially all similarly situated OneStream marketing affiliates.

- (b)** Standard Online and Telephone Support.
 - (i)** During Telephone and On-line Support Business Hours (twenty-four (24) hours per day, seven (7) days per week, except holidays), OneStream will provide to Marketing Affiliate, by telephone or web session, technical assistance and general support of the OneStream Offering(s), such as providing guidance and isolating, documenting, and finding work-arounds for problems or error messages.
 - (ii)** OneStream will provide to Marketing Affiliate access to OneStream support systems such as one (1) or more support portals and the ability to log tickets.
 - (iii)** The following items are not included in Maintenance Service:

 - (B)** Labor to install or upgrade software (covered under professional services if required, or by OneStream’s management services if Marketing Affiliate and OneStream execute and deliver an OneStream Cloud Agreement); and

- (c)** OneStream Offering(s) Updates. OneStream will make available to Marketing Affiliate each minor and major functional version and release of the OneStream Offering(s) that OneStream makes available to its maintenance Customers generally (“Updates”). Updates do not include any versions, releases, or future products that OneStream licenses separately.
- (d)** OneStream Marketplace. OneStream will provide to Marketing Affiliate access to the OneStream Marketplace and all OneStream Owned Marketplace Solutions provided by OneStream in the OneStream Marketplace as of the Effective Date of this Agreement will be available for free. - (f)** Backups. Marketing Affiliates not on OneStream cloud services must ensure critical data has been backed up prior to OneStream’s personnel providing Maintenance Service.
- (g)** Exclusions. OneStream’s obligations to provide the Maintenance Service will be reduced to the extent that the failure of the OneStream Offering(s) to conform to the Documentation is caused by: (i) use of the OneStream Offering(s) other than in accordance with this Agreement or the Documentation; (ii) modification of the OneStream Offering(s) or any part thereof other than by OneStream or with OneStream’s written approval; or (iii) Customer failure to accept or implement an Update proffered by OneStream that would cause the OneStream Offering(s) to conform to the Documentation.
